Dear Rauan,

Re: 2017 Doris Chen Merit Award

The Research Committee is pleased to inform you that you have been awarded Doris Chen Merit Prize. These awards recognise **exceptional early promise and achievement** and are in place thanks to a generous donation received by the Department of Mathematics in memory of the late Doris Chen.

The amount of the award is £1,000.

The award can be claimed by submitting an E1 expenses claim form to Rusudan Svanidze.

Congratulations!

On behalf of the Research Committee,

Prof Pierre Degond

Director of Research
